Gateway community Action

Community Action works to fight the effects of poverty and change people's lives - working to help people help themselves.

WEATHERIZATION (WX)

The Weatherization Agency administers the federal weatherization assistance program to help low-income households weatherize their homes. The program is designed to help these households save energy and reduce their utility bills. Weatherization services include: weatherstripping doors and windows, caulking cracks and leaks, insulating attics and basements, and installing energy-efficient lighting and appliances.

LOW ENERGY ASSISTANCE (LEA)

LEA is a federally funded program that helps low-income households pay their utility bills. The program is designed to help these households pay their utility bills and avoid the risk of disconnection. LEA assistance is available to households with income at or below 60% of the state median income. LEA assistance is available for: electric, gas, and water bills. LEA assistance is available for: heating bills, cooling bills, and other utility bills.

COMPASSION CAPITAL FUND

• Help low-income households pay their utility bills. The program is designed to help these households pay their utility bills and avoid the risk of disconnection. The program is available to households with income at or below 60% of the state median income. The program is available for: electric, gas, and water bills. The program is available for: heating bills, cooling bills, and other utility bills.

HEAD START

Head Start is a federally funded program for low-income families. All services are free and transportation provided. Services include: child care, health and dental care, nutrition, and family support. Head Start centers are located in: Bath County, Morgan County, Morgan County, Morgan County, Morgan County.

ADULT DAY CARE (ADC)

Adult Day Care is defined as a supervised social program of care provided for the 18+ population during day part of the day. Services include: physical exercise, games, arts and crafts, social events, and field trips to parks or museums. For more information, call: 708-741-1111.

FINANCIAL PARTNERS

Financial Partners is a service that helps low-income households pay their utility bills. The program is designed to help these households pay their utility bills and avoid the risk of disconnection. The program is available to households with income at or below 60% of the state median income. The program is available for: electric, gas, and water bills. The program is available for: heating bills, cooling bills, and other utility bills.
